Dear Carolyn,

I am the agent for application reference **123807/FO/2019-39 Deansgate Manchester**.
Please find the attached amended application form below as by mistakenly we stated the applicant as the owner but he is not we have corrected the error.

Also, further to your last question regarding Bins there are three Bins one for general waste, one for medical waste and one for palpating waste. We have amended this in the plans and the same is attached below.

We will be utilising the services of Nationwide waste services for the collection of our general waste. Which will be collected once a week and the container size will be 1 x 1100 litre.
We will be utilising the services of Nationwide waste services for the collection of our recycling waste. Which will be collected fortnightly. We will also have provision for palpable waste through Nationwide waste services. The container size for both the waste will be 1 x 1100 litre.

Please find the answers for the Police comments below regarding physical security:

Ans1) All internal doors will be certified doors to fulfil the security standards. We use professional individuals to work on our sites. At 39 Deansgate all secured doors are installed by building management and they are all compliance with the security standards.

Ans2) We confirm that all our CCTV cameras will cover all areas of our space and building management have a separate CCTV operation camera to keep the records of all individuals entering the building.

Ans3) Security system and a security officer is always at the reception to check to confirm and allow any individual to come in the building. Prior to allowing them they call us and confirm if they are our patient and then allow them to access the building.

Ans4) Signage will be displayed to indicate staff restricted areas.

Ans5) It will be restricted to members of the staff only.

Please do let us know if you need anything else for the application.

Thanks

Kind Regards

Admin.
