5. Description of the Proposal

Please describe details of the proposed development or works including any change of use.

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

Conversion of an unused ancillary space to create one additional bedroom in lieu of unused hydrotherapy treatment room (space originally designed to cater to different user requirements) to form a supported housing development, comprising fourteen (14) self contained apartments and one shared house, containing two bedsit apartments and five bedrooms with associated communal facilities, together with associated car parking and landscaping. No material change externally or internally.

Has the work or change of use already started? ○ Yes ◉ No

6. Existing Use

Please describe the current use of the site

The property currently is a supported housing development, comprising fourteen (14) self contained apartments and one shared house, containing two bedsit apartments and four bedrooms with associated communal facilities, together with associated car parking and landscaping. It is owned and managed by City Care Partnership Ltd. City Care Partnership is one of the UK's leading independent providers of specialist services for adults with learning disabilities and Autistic Spectrum Condition (with associated learning disabilities). They are seeking to convert an unused ancillary space to provide additional living space for their service users.
