

- 1 Do not file from this drawing. All heights, lengths, sizes and dimensions to be checked on site before the start of the works.
- 2 The manufacturer's recommendations are to be followed in respect of the installation and fitting of all products and any discrepancies between these recommendations and any other requirements in the specification and/or drawings shall be notified to the Contract Administrator.
- 3 All details and waste material to be removed from site and the site shall be left clean and tidy.
- 4 Check structural integrity prior to any demolition/demisting operations - provide meeting, propping and/or shoring where and as required.
- 5 All works to comply with British Standards and health and safety legislation.
- 6 All measurements are in millimetres unless otherwise stated.
- 7 This drawing is to be read in conjunction with the work schedules, specification and relevant construction, electrical, mechanical and structural drawings.
