Shaping journeys towards employment for young people

YMCA Training Open Day, Manchester

Opportunity Provider: YMCA Training Manchester

Are you looking for a career in Health & Social Care or Business Support Services?

We're looking to help 16 to 18-year-olds who aren't sure what their next step should be. The YMCA Fast Track to Employment course may be just the answer. The course is tailored to individual needs - offering the training, advice and confidence they need, as well as work experience which can lead to further education, apprenticeships or employment opportunities.

The courses have already proved popular and we now only have a limited number of places left in Manchester for November.

The study programmes include:

- Far smaller groups than the average college classroom
- Chance to meet like-minded people
- A more personal experience
- More one-to-one support with expert mentors and guidance
- Ongoing financial support

We're holding an open day in Manchester on 25th November where young people can find out more by talking to tutors and current learners.

The event is open at 10am – 1pm, breakfast will be provided.
