

Wilmslow Road bus corridor

The **Wilmslow Road bus corridor** is a 5.5-mile-long section of road in Manchester that is served by a large number of bus services. The corridor runs from Parrs Wood to Manchester city centre along Wilmslow and Oxford Roads, serving Didsbury, Withington, Fallowfield and Rusholme.

Several frequent routes combine to operate along the northern section, providing access to the University of Manchester, Manchester Metropolitan University (MMU) and the Royal Northern College of Music (RNCM), Manchester Royal Infirmary (MRI) and Christie Hospital.^[1] Many services along the route are provided by older vehicles (such as the Magic Bus brand operated by Stagecoach Manchester).
