Great idea. A genuine need for a discount store on this side of cheetham hill rather than having to go to the village - where Tesco dominates.

Perfect location - many residents can simply walk to this location.

Hope Lidl goes forward with this proposal.

PLEASE BUILD AND MOVE IN ASAP WE NEED A FOOD RETAILER FOR PEOPLE WHO ARE ON A BUDGET.

WHILST WE HAVE M+S WHEN THE FORT WAS BUILT THEY DON'T APPEAR TO HAVE TAKEN INTO ACCOUNT THE LOCAL AREA AND THEIR FINANCIAL SITUATION.

ANY CHANCE YOU CAN HAVE IT READY IN UNDER A YEAR, WE NEED LIDL.

I think it is vital that a food store is placed at this side of the Cheetham Hill area as there is one full side of homes that must travel far either to tesco or Asda which is a far distance.

This is a very good idea, much needed for this immediate neighbourhood. The fact that it is a 'value' supermarket is an added incentive and mainly secures the success of this business if it was to get the go ahead. Being of Asian origin, we would also back Lidl in this area due to the number of Asian people in this immediate area. A suggestion for Lidl would also be to stock Halal products section and also if this store had the in store bakery they are renowned for, they should think about the Asian, Arabic bakery products.

I would just like to say as a local resident, this idea is positive for all concerned and that it is ~~is~~ more financially better for people on a limited budget and would also bring revenue + jobs to the local area and the current site would certainly benefit of a modernised look as it's a major building on a major thro road out of North Manchester. Great idea.

My objections are that we'll have extra traffic, people taking over street parking when there's no room on the car park where Lidl will be. We know we leave in the area and it happens. The noise level is horrendous from traffic now. The vermin is terrible because of all the food outlets and shops, which we were told would never happen in this ~~area~~ area, especially no food outlets near school but it has happened.

Contradiction!
We have serious issues
with poorly kept roads,
vermin and heavy traffic.
Our streets are used as

We have a Lidl already close

Dear sir/madam

I am a resident of Cheetham Hill and support the proposal of a Lidl store in Cheetham Hill. We only have m&s or Tesco which are really expensive.
I think it will be a great opportunity for business and for its customers.

Kind regards

Dear Sirs,

I have just seen your proposal at Khizra Mosque in regards to a Lidl store opening. I am in agreement with this as currently the only major food shopping store is Tesco and obviously Lidl is cheaper. Also if say for example you go to the Fort shopping centre and think you need to get groceries then you will not have to drive all the way down Cheetham Hill Rd and could just go across the road to a Lidl.

From the convenience perspective the idea of a Lidl is fantastic. Also it will bring new business into the area and create jobs. There is a lot of unemployment in Cheetham Hill- a new business will create more job opportunities.

I hope my feedback is useful

Kind regards

Safeena
