

Qbic Hotel Manchester – 115 Deansgate

Guest drop off and arrival strategy

Drop Off Location

(Please see the following page for details of the location)

The Hotel is situated on the corner of Deansgate and John Dalton Street. The scheme has been arranged so that the main entrance for the separately branded restaurant and bar 'Motley' is located on the Deansgate corner of the building. The Hotel entrance is located on John Dalton Street to enable guests to be dropped off in the adjacent quiet street, Ridgefield.

This will ensure that no congestion to the busy streets of Deansgate and John Dalton Street are effected by taxi drop offs.

Guests will then be directed to the entrance via external signage (see dashed green route below)

Almost 100% of guest bookings are made in advance via the internet or via our reservations team. The reservation confirmation emails sent to guests will include arrival details of the location "if arriving or leaving by taxi please arrange to be picked up or dropped off at Ridgefield, M2 6EQ rather than our address on Deansgate as there is no stoppong allowed on that busy road. Ridgefield drop off is only a couple of short steps to the Hotel entrance located on John Dalton Street." An appropriate simple map will also be included.

Qbic will engage directly with local taxi firms and the Uber community to ensure they follow these guidelines.
