22 March 2019

Dear Sir or Madam,

Bus stop and shelter on Upper Chorlton Road opposite St John Road, stop reference SB3007

With reference to the above, TfGM's Route Development Officer attended site on Wednesday 13 March with representatives from GM Police and Manchester City Council Highways and agreed that the stop and shelter could remain in their existing location. The stop is currently served by service 86 and is not listed as a timing point, therefore, buses using the stop should only stop momentarily to allow passengers to board and alight.

Please note that this bus stop will be further reviewed in the future as part of the Manchester to Chorlton cycle and walking route proposals. Please see below links for the consultation plans. https://www.manchester.gov.uk/downloads/download/6976/chorlton_cycling_and_walking_routes_-_area_2

I trust the above information is sufficient, but please do not hesitate to contact me if you require any further information.

Yours faithfully

Comfort Peter
