MANAHATTA

188-192 DEANSGATE, MANCHESTER, M3 3ND

PLANNING PERMISSION APPLICATION - ADDITIONAL INFORMATION

1. Recyclable waste (glass and mixed use cardboard) are recycled. All waste is split and all recyclable items are recycled.

2. The Tables are 600mm x 600mm Compact laminate top on Flip Top aluminium base and are approximately 735mm tall. The Chairs are Polypropylene arm Chair 590mm x 500mm x 800mm. Pictures are attached to the layout plans. The barriers are 900mm x 1000mm and are black fabric with a gold “Manahatta” lettering.

3. The area will be mixed use – if a guest would rather order separately then they will not be discouraged and allowed to use the facilities as per the inside bar tables. Full waiters service will be offered as standard at the start of each seating.

4. All external tables will be constantly monitored cleared regularly and as required. The floor around the immediate area of tables will be swept upon change of guest. The area will also be swept at the end of each service and at the start of each service to ensure the area is kept clean and presentable.

5. The outside furniture will be stored within the Premises outside of operating hours.

6. The Premises has security and public disorder measures which are conditions on its Premises Licence.

7. There will be no amplified sound or any music played in the external seating area.

8. The outside seating will be operated from 08:00 every day until 23:00.
