Dear sir / madam,

Please find attached waste management strategy for the above project as requested in your letter.

In response to activities at the centre please see our existing timetable which we do not envisage expanding in any way, there is no expected increase in users of the centre. Our application is to improve the facilities to our existing users.

Monday - Centre open for prayer between 1pm and 2pm - maximum 5 users
Tuesday - Centre open for prayer between 1pm and 2pm - maximum 5 users
Wednesday - Centre open for prayer between 1pm and 2pm - maximum 5 users
Thursday - Centre open for prayer between 1pm and 2pm - maximum 5 users
Friday - Centre open for prayer between 1pm and 2pm - maximum 20 users
Saturday - 12 pm - 3pm Arabic lesson - 3 x classes (5 students per class) 3pm - 5pm community classes (Adult) 2 x classes (5 students per class)
Sunday - 12 pm - 3pm Religious education lesson - 3 x classes (5 students per class)

In terms of parking provisions we believe this is sufficient as 65% of users arrive at the centre using public transport, 5% cycle and 10% walk. Only 20% of our users drive to the centre.

I hope this information is sufficient to have our application registered.

Kind regards

Najib Gedal
