Confirmation re. acoustic details

Nikki Sills <Nikki.Sills@zerum.co.uk> 28 March 2018 at 15:01
To: Joseph Hobbs <j.hobbs@manchester.gov.uk>

Hi Joe

Ive spoken to the PM for both 19 and 21 and he was at the tail end of the Stocks meeting this morning. The thinner windows that Gary referred to are the ones that we have submitted to you. These are the thinnest windows we have found and they are around 46mm. We take your point about the baton support and if this could be conditioned we will deal with it later. The glazing details submitted will be included within the development.

I can confirm that the gaps will be sealed as recommended and the frames meet the acoustic performance stated in the report.

I can confirm that the recommended ventilator specification will be adopted.

I can confirm that the recommended roof build up and insulation performance are adopted.

I can confirm that the proposed air brick ventilation sample will be the 'square hole' product as shown in the supplied information.

I can confirm agreement to an **extension of time** until **Thursday 29th March** for 118614/FO/2018 and 118615/LO/2018.

Kind regards

Nikki
