Date: 24 February 2017

Dear Sir/Madam,

Reminder Letter
Application number: 114832/FO/2016
Proposal: Hi we currently have tables and chairs outside would like to enclose our garden to reduce noise to local residents living above our restaurant
Location: 609 Wilbraham Road, Manchester, M21 9AN

We wrote to you previously to inform you that the above application could not be registered and to date we have not received the requested information from you.

We could not register your application for the following reason(s):

1) Please provide site location plan with curtilage of property in red.
2) Please supply proposed drawings of the structure in situ to a recognised scale of 1:150 or 1:100
3) Please provide existing elevation drawings
4) Please supply a site setting out drawing to a scale of 1:200 showing the building and the extent of the proposed structure in relation to all boundaries, and the public footpath.

If we do not hear from you within the next 7 working days following the date of this letter, we will assume you do not wish to proceed and will therefore return the whole application. However, if you wish to discuss the information required, a member of my staff will be pleased to assist.

Please return any required documents and/or information to the Technical Support Team using the details above.

Yours faithfully,

Julie Roscoe
Head of Planning, Building Control & Licensing
