Dear Sir/Madam,

Application No: 116092/TPO/2017
Intent to carry out works to trees at Land To The Rear Of 159/161 Brooklands Road, Brooklands, Manchester

Further to your request to carry out works to trees located at the above address, the City Council's arboricultural staff visited the site and inspected the trees. With reference to their advice, consent is hereby **granted** for the following work:

Consent is given for the proposed removal of an Ash tree on land to the rear of 159/161 Brooklands Rd, as indicated in the submitted details and plan.

This consent is subject to a replacement tree being replanted and this tree should be a native deciduous tree such as an Oak, Lime or Beech and be planted in the next growing seasong (October - March) following removal.

Please note consideration should be given when removing trees at this time of the year to the potential for nesting birds to be present, and all none safety critical works should be delayed until August/September if activity is noted.

All tree work should be carried out by a competent contractor in accordance with British Standard BS 3998 "Recommendations for Tree Work".

Reason - In order avoid damage to trees/shrubs adjacent to and within the site which are of important amenity value to the area and in order to protect the character of the area, in accordance with policies EN9 and EN15 of the Core Strategy.

In accordance with The Town and Country Planning (Tree Preservation)(England) Regulations 2012 (as amended), this consent is granted for a period of two years from the date of this letter.

Should you wish to discuss this matter any further please contact John Kelsey.

Yours faithfully,

Julie Roscoe
Head of Planning, Building Control & Licensing
