Part 1 – Particulars of the application/development

Proposal: Erection of a part single, part two-storey rear extension, hip to gable conversion and installation of a dormer to rear elevation

Location: 26 Springbridge Road, Manchester, M16 8PW

Date of application: 9 January 2017

Application number: 114975/FH/2017

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

The proposal would not improve the social and environmental conditions of the area nor does it comply with the development plan and therefore does not comprise sustainable development. There are no conditions which could reasonably have been imposed, which would have made the development acceptable and it is therefore not possible to approve the application.

Reason(s) for decision

1) The cumulative impact of the proposed rear extensions, roof alterations and rear dormer together with the existing extensions to the property would result in the extensions no longer being subservient to the original dwellinghouse. The proposal therefore represents an over development of the site to the detriment of the character and visual amenity of the area, and would have an overbearing impact upon neighbouring occupiers. The proposed development is therefore contrary to the provisions of saved policy DC1 of the Unitary Development Plan for the City of

Manchester and policies SP1 and DM1 of Manchester's Core Strategy Development Plan Document and the NPPF.

2) The proposed hip to gable conversion, rear dormer and rear extensions by reason of their scale, massing, poor design and their relationship to the original house and the existing extensions would form an unduly visually obtrusive feature to the detriment of visual amenity and character of the area and as such are contrary to saved policies DC1 of the Unitary Development Plan for the City of Manchester and policies SP1 and DM1 of Manchester's Core Strategy Development Plan Document.

Date: 6 March 2017

Notes

1. This decision relates only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within 12 weeks of the date of the notice of this decision. However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.
- 28 days from the date the enforcement notice was served if served on or after the date the decision was made (unless this extends the appeal period beyond 12 weeks).

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-inspectorate. The Inspectorate will publish details of your appeal on the internet.

Alternatively, appeals can be made on a form which is obtainable from Planning Inspectorate, Customer Support Unit, Room 3/15, Eagle Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 or by telephone 0117 372 6372.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
