F.A.O. Hannah Shine

Date: 13th February 2017

Dear Hannah

Potato Wharf – Blocks 3 & 4

Having reviewed the plans for the proposed PRS link building, I can confirm that there are no features of the building that could potentially generate anti-social or criminal behaviour, or affect the overall security of the proposed residential development. The proposed staffing of the building by service managers, night porters and maintenance teams, will be a deterrent to would-be offenders.

Yours faithfully

Patrick Babb
Consultant
