Proposal: Change of use from single residential dwelling to 3 x no. self contained flats with associated elevational alterations, bins store to the side, 2 x no. Juliet balconies to rear, associated car parking and installation of rear dormer and basement lightwells to front and rear

Location: 91 Palatine Road, Manchester, M20 3JQ

Date of application: 4 October 2016

Application number: 114105/FO/2016

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Officers have communicated their concerns about this proposal to the applicant during the course of the planning application, but these concerns have not been overcome. The proposal is considered to be contrary to the development plan and therefore refused in a timely manner.

Reason(s) for decision

1) The proposed change of use of the property into 3 self-contained flats would result in the loss of family type accommodation thereby reducing the availability and choice of housing and undermine the formation of sustainable communities. The proposal would therefore be contrary to policies SP1, H6, and DM1 of the Manchester Core Strategy Development Plan Document and saved policy DC5.4 of the Unitary Development Plan
.

2) The proposed flat conversion would represent an over-intensive use of the property. The additional comings and goings and the associated noise and disturbance generated by the additional occupiers would be detrimental to the levels of residential amenity enjoyed by the occupants of those properties adjoining the site. The proposed development is therefore contrary to policy DM1 of the Manchester Core Strategy Development Plan Document.
