Design and Access Statement

Tiddleywinks Day Nursery – EY/36796: Surestart Q&A

Location

116 Hill Lane
Manchester
M9 6PW

Description of scheme

This scheme has been proposed to provide improved facilities for pre school children. The scheme includes a free standing canopy to the rear, a pram store to the front elevation and improved baby change and toilet facilities.

Statement

(To be read in conjunction with drawings 001-005- Existing and Proposed Layout)

Access to this nursery is via a gated entrance to a paved pathway, this leads to a stepped main front entrance. There is one existing ramped entrance to the rear.

General access improvements are not included in this scheme as it is a privately owned facility and funds were provided to improve the facility as a nursery and not to improve DDA compliance.

Regards
Les Yates
