Dear Sir/Madam,

Application Number: 086671/TCA/2008/S2
Intent to carry out works to trees at 1C Parkfield Road South, Didsbury, Manchester, M20 6DA

Further to your request to carry out works to trees located at the above address, the City Council's arboricultural staff visited the site and inspected the trees. With reference to their advice, consent is hereby **granted** for the following work:

The City Council has no objection to the removal of the Alder tree. The tree is diseased and a potential hazard.

There is no stipulation for a replacement tree as the garden is too small to accommodate the planting of more trees.

All tree work should be carried out by a competent contractor in accordance with British Standard BS 3998 "Recommendations for Tree Work".

Should you wish to discuss this matter any further please contact Lisa Holland.

Yours sincerely,

Peter Babb
Head of Planning
