Dear Sirs / Madame,

Re: Planning application Masjid-Alfalah, 79 Heywood Street, Manchester.

Please find enclosed with this letter a 'Green Travel Strategy' report and also a 'Travel Survey and Action Plan' questionnaire along with a survey sheet for the number patrons traveling to the Mosque by car over the next few weeks.

I hope the enclosed Green Travel Strategy' meets with your approval and the action plan set out. I should very much appreciate if you would study the enclosed reports and let me have your comments.

If I have omitted any details or information please accept my sincere apologies. I await your response in the mean time.

Yours faithfully
