Planning Permission and Notices of Consent

Compliance with Conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures required to protect trees.
- Some conditions will require action before you start the development and it is imperative that you seek to have these discharged before any work commences.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- For advice on any of these matters, please contact the Planning Service, Manchester City Council, PO Box 463, Manchester M60 3NY or email planning@manchester.gov.uk

Part II – Particulars of Decision

The Manchester City Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 of the following decision

Decision Approved

It is considered that the proposal will generally accord with the policies contained within the Development Plan, specifically the Unitary Development policies LL1, DC2, DC2a.1, DC2b.1, DC2.2, DC2.3, DC1.1-DC1.4, H1.2, H1.5, H2.1, H2.2, E3.3, T2.4 and T2.6 of the Manchester Unitary Development Plan, and the Guide to Development in Manchester Supplementary Planning Document and Planning Guidance, Planning Policy Statement 1, Planning Policy Statement 3 and DP2 and DP3 of the Regional Spatial Strategy, in that the development would provide modern and up to date supported housing for people in need of accommodation, would significantly improve the accommodation, car parking and the overall appearance of the site, and

generally the proposal would provide a high quality facility within the area to the benefit of the wider surrounding community allowing the continuing regeneration of the locality and there are no material considerations of sufficient weight to indicate otherwise.

Date of Decision 24 July 2008

for the carrying out of development referred to in Part 1 hereof in accordance with the application and plans submitted subject to the following conditions:

Part III – Conditions and Reasons

1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents unless otherwise agreed in writing by the City Council as Local Planning Authority: 06/SC.02, 07/REV C and 08/REV D received 7th July 2008

Reason - To ensure that the development is carried out in accordance with the approved plans. Pursuant to policy H2.2 of the Manchester Unitary Development Plan.

3) No development that is hereby approved shall commence unless and until samples and specifications of all materials to be used on all external elevations of the development have been submitted to and approved in writing by the City Council as local planning authority. The development shall be constructed only using the approved materials unless otherwise agreed in writing by the City Council as local planning authority.

Reason - To ensure that the appearance of the development is acceptable to the City Council as local planning authority in the interests of the visual amenity of the area within which the site is located, as specified in policy H2.2 of the Unitary Development Plan for the City of Manchester.

4) No development shall commence until a hard and soft landscaping treatment scheme has been submitted to and approved in writing by the City Council as local planning authority. The approved scheme shall be implemented not later than 12 months from the date the buildings are first occupied. If within a period of 5 years from the date of the planting of any tree or shrub, that tree or shrub or any tree or shrub planted in replacement for it, is removed, uprooted or destroyed or dies, or becomes, in the opinion of the local planning authority, seriously damaged or defective, another tree or shrub of the same species and size as that originally planted shall be planted at the same place, unless otherwise agree in writing by the City Council as local planning authority.

Reason - To ensure that a satisfactory landscaping scheme for the development is carried out that respects the character and visual amenities of the area, in accordance with policy H2.2 of the Unitary Development Plan for the City of Manchester.

5) In this condition "retained tree" means an existing tree, shrub or hedge which is to be as shown as retained on the approved plans and particulars; and paragraphs (a) and (b) below shall have effect until the expiration of 5 years from the date of the occupation of the building for its permitted use.

(a) No retained tree shall be cut down, uprooted or destroyed, nor shall any retained tree be topped or lopped other than in accordance with the approved plans and particulars, without the written approval of the local planning authority. Any topping or lopping approved shall be carried out in accordance with British Standard 5387 (Trees in relation to construction)

(b) If any retained tree is removed, uprooted or destroyed or dies, another tree shall be planted at the same place and that tree shall be of such size and species, and shall be planted at such time, as may be specified in writing by the local planning authority.

(c) The erection of fencing for the protection of any retained tree shall be undertaken in accordance with the approved plans and particulars before any equipment, machinery or materials are brought on to the site for the purposes of the development, and shall be maintained until all equipment, machinery and surplus materials have been removed from the site. Nothing shall be stored or placed in any area fenced in accordance with this condition and the ground levels within those areas shall not be altered, nor shall any excavation be made, without the written consent of the local planning authority.

Reason - In order avoid damage to trees/shrubs adjacent to and within the site which are of important amenity value to the area and in order to protect the character of the area, in accordance with Policies E2.4 and E2.6 of the Unitary Development Plan for the City of Manchester.

6) Prior to the commencement of the development hereby approved, a Tree Protection Plan and Arboricultural Method Statement shall be submitted to and approved in writing by the Local Planning Authority. This should include correctly calculated construction exclusion zones, proposals for protection barriers and ground protection measures, engineering construction details where foundations and paving fall within the root protection areas of the retained trees, and details of any necessary tree surgery to facilitate construction operations. The development shall then be constructed in full accordance with the approved details, unless otherwise agreed in writing with the Local Planning Authority.

Reason

In order avoid damage to trees/shrubs adjacent to and within the site, which are of important amenity value to the area, pursuant to Policies E2.6 of the adopted UDP for the City of Manchester.

7) Notwithstanding the approved drawings, prior to the commencement of the development a scaled drawing showing the required 2.0 metres by 2.0 metres pedestrian visibility splays at the new vehicular access point onto Newton Avenue should be submitted to and approved in writing by the City Council as the Local Planning Authority. The scheme should then be implemented in full accordance with the approved details.

Reason - In the interests of pedestrian and highway safety, in accordance with Policy H2.2 of the Unitary Development Plan for the City of Manchester.

8) No development shall commence until details of the measures to be incorporated into the development to demonstrate how secure by design accreditation will be achieved have been submitted to and approved in writing by the City Council as local planning authority. The development shall only be carried out in accordance with these approved details. The development hereby approved shall not be occupied or used until the Council as local planning authority has acknowledged in writing that it has received written confirmation of a secure by design accreditation, unless otherwise agreed in writing by City Council as local planning authority.

Reason - To reduce the risk of crime pursuant to Policy E3.5 of the Unitary Development Plan of the City of Manchester and to reflect the guidance contained in Planning Policy Statement "Delivering Sustainable Development".

9) Notwithstanding the hereby approved plans, swept path details of vehicles entering and leaving the proposed site car park shall be submitted and approved in writing by the City Council as the Local Planning Authority, unless otherwise agreed in writing with the City Council.

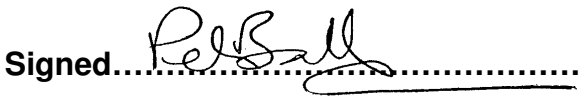

Reason - In the interests of pedestrian and highway safety, in accordance with Policy H2.2 of the Unitary Development Plan for the City of Manchester.

10) No development shall commence until details of lighting to the front and rear of the building (including the parking area and all entrances) to be incorporated into the development have been submitted to and approved in writing by the City Council as local planning authority. The lighting must only be implemented in accordance with the approved details and retain thereafter unless otherwise agreed in writing with the City Council.

Reason - To provide increased security to the residents and visitors to Overton House, pursuant to Policy E3.5 and H2.2 of the adopted UDP for the City of Manchester.

11) Notwithstanding the hereby approved plans, all proposed site boundary gates should not open out onto the public highway, but inwards into the site.

Reason - In the interests of pedestrian and highway safety, in accordance with Policy H2.2 of the Unitary Development Plan for the City of Manchester and pursuant to the email from the agent, Mr. Peter Summersgill, dated 11th July 2008.

Signed**.....**

Peter Babb, Head of Planning

on behalf of the Council

NOTES

1. Leaflets attached:

2. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation**.**

3. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, he may appeal to the First Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the Appeals area of the Planning Portal – www.planningportal.gov.uk/pcs. The Inspectorate will publish details of your appeal on the internet (on the Appeals area of the Planning Portal).

This may include a copy of the original planning application form and any supporting documents supplied to the local planning authority. By you or your agent, together with the completed appeal form and information you submit to the Planning Inspectorate. Please ensure that you only provide information, including personal information, that you are happy will be made available to others in this way. If you supply personal information belonging to a third party please ensure you have their permission. More detailed information about data protection and privacy matters is available on the Planning Portal.
