IMPORTANT

Planning Permission and Notices of Consent

Compliance with Conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures required to protect trees.
- Some conditions will require action before you start the development and it is imperative that you seek to have these discharged before any work commences.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- For advice on any of these matters, please contact the Planning Service, Manchester City Council, PO Box 463, Manchester M60 3NY or email planning@manchester.gov.uk

Town and Country Planning Act 1990

PLANNING PERMISSION

Name and Address of Applicant	Name and Address of Agent
Isis Waterside Regeneration Ltd And Manchester City Council C/o Agent	Drivers Jonas 9 Bond Court Leeds LS1 2JZ

Part I – Particulars of Application

Date of Application	Application ref. no.
4 April 2008	086367/OO/2008/N2

Particulars and location of development:

Renewal of Outline Consent 074231/OO/2004/N2 for three buildings of a maximum of 7, 11 and 9 storeys in height providing a maximum of 341 residential units and class A1 units consisting a maximum of 1,776 sq.m gross floorspace with a maximum of 230 car parking spaces including consideration of means of access and siting

Great Ancoats Street/Old Mill Street
Ancoats
Manchester

Part II – Particulars of Decision

The Manchester City Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 of the following decision

Decision Approved
APPROVE on the basis that the Council has taken the environmental information (as defined in the EIA regulations) into consideration and the applications are in accordance with the Unitary Development Plan for Manchester (adopted 1995) in particular the proposal by virtue of its scale, siting and proposed mix of uses accords with policies EM10 ,R1, H1.2,H2.2, S2.1, E1,E2.2, E2.4, E2.6, E2.7, E3.1, E3.3, E3.4,E3.5, DC14 ; and policies SD1 and DP3 of Regional Spatial Strategy for the North West; and, there are no significant material considerations to indicate otherwise.
Date of Decision 3 July 2008

for the carrying out of development referred to in Part 1 hereof in accordance with the application and plans submitted subject to the following conditions:

Part III – Conditions and Reasons

1) 1) Applications for approval of reserved matters must be made not later than the expiration of three years beginning with the date of this permission. The development must be begun not later than the expiration of two years from the final approval of the reserved matters or, in the case of approval on different dates, the final approval of the last such matters to be approved.

Reason - Required to be imposed pursuant to Section 92 of the Town and Country Planning Act 1990.

2) 2) Before the development is commenced, the applicant shall submit detailed plans and particulars to the Council, and obtain their approval under the Town and Country Planning Acts, of the following reserved matters and other matters as are required under condition nos. 4 to 42 of this permission: the design of the proposal; external appearance of all buildings; and the landscaping of the site.

Reason - To ensure the satisfactory development of the site and because this application is in outline only, and to ensure that the conditions attached to the consent are complied with for each phase or contract related to the implementation to which they are relevant.

3) 3) Development shall not begin until a phasing programme for the development hereby permitted has been submitted to and approved in writing by the Local Planning Authority. Thereafter, the development shall be carried out in accordance with the approved phasing programme, unless otherwise agreed with the Local Planning Authority.

Reason

The applicants have indicated that the works necessary to implement the scheme fully are likely to come forward in a phased manner.

4) 4) No development shall commence until a hard and soft landscaping treatment scheme has been submitted to and approved in writing by the City Council as local planning authority. The approved scheme shall be implemented not later than 12 months from the date the buildings are first occupied. If within a period of 5 years from the date of the planting of any tree or shrub, that tree or shrub or any tree or shrub planted in replacement for it, is removed, uprooted or destroyed or dies, or becomes, in the opinion of the local planning authority, seriously damaged or defective, another tree or shrub of the same species and size as that originally planted shall be planted at the same place, unless otherwise agree in writing by the City Council as local planning authority.

Reason - To ensure that a satisfactory landscaping scheme for the development is carried out that respects the character and visual amenities of the area, in accordance with policies H2.2 E3.3 and I3.1; of the Unitary Development Plan for the City of Manchester.

5) 5) No development that is hereby approved shall commence unless and until samples and specifications of all materials to be used on all external elevations of the development have been submitted to and approved in writing by the City Council as local planning authority. The development shall be constructed only using the approved materials unless otherwise agreed in writing by the City Council as local planning authority.

Reason - To ensure that the appearance of the development is acceptable to the City Council as local planning authority in the interests of the visual amenity of the area within which the site is located, as specified in policy H2.2,E3.3 and I3.1 of the Unitary Development Plan for the City of Manchester.

6) 6) The car parking shall be surfaced, demarcated and made available for use as each building or phase of development is occupied, in accordance with details to be submitted to and approved in writing by the City Council as Local Planning Authority. The car parking spaces shall then be available at all times whilst the buildings are occupied, in accordance with the agreed phasing programme required by condition no.3 of this planning permission.

Reason

To ensure that there is adequate car parking for the development proposed when the buildings are occupied, pursuant to policy E3.3 of the Unitary Development Plan for the City of Manchester.

7) 7) The development hereby approved shall be carried out in accordance with the drawings approved under 074231/OO/2004 and numbered BND-02-004 rev.B, OUT-02-001, received 16th December 2004, 512/101 rev.B, 512/100 rev.B, MAS-03-001 rev.C, 215/01 (MO) 004/P03, 215/01 (MO) 008/P03 stamped as received by the Local Planning Authority on 18th February 2005, and letter dated 28th February 2005,unless otherwise agreed in writing with the City Council as Local Planning Authority.

Reason

To ensure that the development is carried out in accordance with the approved plans.

8) 8) No development shall commence until details of the measures to be incorporated into the development (or phase thereof) to demonstrate how secure by design accreditation will be achieved have been submitted to and approved in writing by the City Council as local planning authority. The development shall only be carried out in accordance with these approved details. The development hereby approved shall not be occupied or used until the Council as local planning authority has acknowledged in writing that it has received written confirmation of a secure by design accreditation.

Reason - To reduce the risk of crime pursuant to Policy E3.5 of the Unitary Development Plan of the City of Manchester and to reflect the guidance contained in Planning Policy Statement "Delivering Sustainable Development".

9) 9) All vehicles entering and leaving the site during the construction period are to pass through a wheel wash. Details of the wheel wash shall be

submitted to and approved in writing by the City Council as local planning authority prior to the development commencing. The wheelwash shall be retained on site during the construction period, and shall be positioned to allow use throughout each phase of construction; the locations of the wheelwash shall be submitted to and approved by the City Council prior to being implemented.

Reason

To ensure that the proposed development does not cause unacceptable amounts of dust in the vicinity and to ensure that local roads are kept clear of mud, pursuant to policy H2.2 of the Unitary Development

10) 10) All contractors' vehicles entering and leaving the site during the construction period shall be sheeted.

Reason

To ensure that the proposed development is not prejudicial or a nuisance to the adjacent premises in the interests of public health and amenity, pursuant to policy H2.2 of the Unitary Development Plan for the City of Manchester.

11) 11) The details of an emergency telephone contact number shall be displayed in a publicly accessible location on the site and shall remain so displayed unless otherwise agreed in writing by the City Council as local planning authority.

Reason

In the interests of local amenity, pursuant to policy H2.2 of the Unitary Development Plan for the City of Manchester.

12) 12) In this condition "retained tree" means an existing tree, shrub or hedge which is to be as shown as retained on the approved plans and particulars; and paragraphs (a) and (b) below shall have effect until the expiration of 5 years from the date of the occupation of the building for its permitted use.

(a) No retained tree shall be cut down, uprooted or destroyed, nor shall any retained tree be topped or lopped other than in accordance with the approved plans and particulars, without the written approval of the local planning authority. Any topping or lopping approved shall be carried out in accordance with British Standard 5387 (Trees in relation to construction)

(b) If any retained tree is removed, uprooted or destroyed or dies, another tree shall be planted at the same place and that tree shall be of such size and species, and shall be planted at such time, as may be specified in writing by the local planning authority.

(c) The erection of fencing for the protection of any retained tree shall be undertaken in accordance with the approved plans and particulars before any equipment, machinery or materials are brought on to the site for the purposes of the development, and shall be maintained until all equipment, machinery and surplus materials have been removed from the site. Nothing shall be stored or placed in any area fenced in accordance with this condition and the ground

levels within those areas shall not be altered, nor shall any excavation be made, without the written consent of the local planning authority.

Reason - In order avoid damage to trees/shrubs adjacent to and within the site which are of important amenity value to the area and in order to protect the character of the area, in accordance with Policies E2.4 and E2.6 of the Unitary Development Plan for the City of Manchester.

13) 13) No development shall take place until there has been submitted to and approved in writing by the local planning authority a plan indicating the positions, design, materials and type of boundary treatment to be erected. Development shall be carried out in accordance with the approved details and shall thereafter be retained.

Reason - To ensure that the appearance of the development is acceptable to the City Council as local planning authority in the interests of the visual amenity of the area within which the site is located in order to comply with Policies H2.2, E3.3 and E3.5 of the Unitary Development Plan for the City of Manchester.

14) 14) a) Before the development hereby approved commences, a report (the Preliminary Risk Assessment the Desk Study) to identify and evaluate all potential sources and impacts of any ground contamination, groundwater contamination and/or ground gas relevant to the site shall be submitted to and approved in writing by the City Council as local planning authority. The Preliminary Risk Assessment shall conform to City Council's current guidance document (Planning Guidance in Relation to Ground Contamination).

The Desk Study shall be prepared by a suitably qualified person whose competence to carry out the Desk Study has been approved in writing by the City Council as local planning authority (an "Expert").

In the event of the Preliminary Risk Assessment Desk Study identifying risks which in the written opinion of the Local Planning Authority require further investigation, the development shall not commence until a scheme for the investigation of the site and the identification of remediation measures (the Site Investigation Proposal Scheme) has been submitted to and approved in writing by the City Council as local planning authority.

The measures for investigating the site identified in the Site Investigation Proposal Scheme shall be carried out, by an Expert before development commences and the Expert shall prepare a report prepared outlining what measures, if any, are required to remediate the land (the Site Investigation Report and/or Remediation Strategy) which shall be submitted to and approved in writing by the City Council as local planning authority.

b) When the development commences, the development shall be carried out in accordance with the previously agreed Remediation Strategy Site Investigation Report and a Completion/Verification Report shall be submitted to and approved in writing by the City Council as local planning authority.

In the event that ground contamination, groundwater contamination and/or ground gas, not previously identified, are found to be present on the site at any

time before the development is occupied, then development shall cease and/or the development shall not be occupied until, an Expert has prepared a report outlining what measures, if any, are required to remediate the land (the Revised Remediation Strategy Site Investigation Report) which shall be is submitted to and approved in writing by the City Council as local planning authority and the development shall be carried out in accordance with the Revised Remediation Strategy Site Investigation Report, which shall take precedence over any Remediation Strategy Site Investigation Report or earlier Revised Remediation Strategy Investigation Report.

Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected and appropriate remedial action is taken in the interests of public safety, pursuant to E1.3; of the Unitary Development Plan for the City of Manchester.

15) 15) No part of the development shall be occupied until space and facilities for bicycle parking have been provided in accordance with details to be submitted to and approved in writing by the City Council as local planning authority. The approved space and facilities shall then be retained and permanently reserved for bicycle parking in accordance with the agreed phasing programme required by condition no.3 of this planning permission.

Reason - To ensure that adequate provision is made for bicycle parking so that persons occupying or visiting the development have a range of options in relation to mode of transport in order to comply with Policies T3.1, T3.6 and T3.7 of the Unitary Development Plan for the City of Manchester.

16) 16) Full detailed designs (including specifications) of all highways works, shall be submitted to and approved in writing by the City Council as Local Planning Authority, prior to the development commencing. The development shall be implemented in accordance with the approved details, prior to the shop and residential units being brought into use, unless otherwise agreed with the local planning authority.

Reason

In the interests of highway safety, pursuant to policy T3.1 of the Unitary Development Plan for the City of Manchester.

17) 17) Before the development hereby permitted is commenced a scheme showing the provision to be made for disabled people to gain access to each building or phase of development including route widths, levels and gradients, shall be submitted to and approved in writing by the City Council as local planning authority before developments commences. The agreed scheme shall be implemented before the development hereby permitted is brought into use.

Reason - To ensure that satisfactory disabled access is provided by reference to the provisions of the Unitary Development Plan for the City of Manchester Policies DC7.1 and DC9.1.

18) 18) No development shall commence until a scheme for the storage (including segregated waste recycling) and disposal of refuse has been

submitted to and approved in writing by the City Council as local planning authority. The details of the approved scheme shall be implemented as part of the development and shall remain in situ whilst the use or development is in operation.

Reason

In the interests of amenity and public health, pursuant to policy H2.2 of the adopted UDP.

19) 19) No loading or unloading to the operational development, shall be carried out after 20.00 Mondays to Saturdays with no loading on Sundays. Loading and unloading shall be restricted to the period between 07:30 a.m. and 20.00 daily.

Reason

In the interests of residential amenity, pursuant to policy H2.2 of the Unitary Development Plan for the City of Manchester.

20) 20) The permitted hours of the Class A1 uses are to be submitted and agreed in writing by the City Council as Local Planning Authority, prior to the occupation of the buildings.

Reason

To safeguard the amenities of the occupiers of nearby residential accommodation when the development is complete, pursuant to H2.2 of the Unitary Development Plan for the City of Manchester.

21) 21) Details of any roller shutters or security grilles to be installed within the development shall be submitted to and agreed in writing by the City Council as Local Planning Authority before they are in place. Roller shutters and grilles shall be of an open grille construction, with the housing for the mechanism recessed behind the plane of the wall where the mechanism is to be located and be colour-coated.

Reason

In the interests of visual amenity, pursuant to policy DC14 and policy E3.3 of the Unitary Development Plan for the City of Manchester.

22) 22) No development approved by this permission shall be commenced until a scheme for the disposal of foul and surface waters has been approved in writing by the local planning authority. Such a scheme shall be constructed and completed in accordance with the approved plans.

Reason

To ensure a satisfactory means of drainage.

23) 23) This permission hereby approved relates to:-

- Class A1 uses maximum floorspace of 1,776 sq.m.
- 341 residential units

unless otherwise agreed in writing by the City Council as Local Planning Authority.

Reason

For the avoidance of doubt as changes to any element of the development may have consequences in terms of national and local policy considerations.

24) 24) Details of a Travel Plan including particulars of its implementation and monitoring of effectiveness and how measures to improve effectiveness shall be implemented shall be submitted to and approved in writing by the City Council as local planning authority. For so long as the use is in operation the local planning authority shall be provided with such information as specified in the Travel Plan and all measures that are identified that can improve the effectiveness of the Travel Plan shall be adopted and implemented within a timescale agreed in writing by the local planning authority.

Reason

In accordance with the provisions contained within Planning Policy Guidance 13.

25) 25) Upon the occupation of the shop units, any proposed roller shutters on the frontage of the proposed shop units and food store shall be open/raised from 9.00 a.m. until the business closes in the evening.

Reason

In order to ensure that the appearance of the building is in keeping with the character of the area.

26) 26) No development shall commence until the following have been submitted to and approved in writing by the City Council as local planning authority:

(a) A scheme for digging archaeological trial trenches on site (including timetables and particulars of the persons supervising the digging);

(b) A scheme for investigating, evaluating and archiving any finds and for publishing details thereof (including timetables and particulars of the persons who will carry out said tasks).

The schemes approved under (a) and (b) above shall be implemented in accordance with the timetables contained therein and no development shall take place on site until written confirmation of completion of the said schemes has been received by the City Council, unless otherwise agreed in writing by the City Council as local planning authority.

Reason - To investigate the archaeological interest of the site and record and preserve any remains of archaeological interest, pursuant to Policy DC20.1 of the Unitary Development Plan for the City of Manchester and guidance in PPG16.

27) 27) The applicant will provide proposals for the presentation and interpretation of the canal related industrial heritage of the site, the scheme to be submitted to and agreed in writing by the City Council as Local Planning Authority. The approved details shall be implemented and retained in situ.

Reason

To commemorate the industrial heritage of the site by means of suitable presentation and an interpretation board.

28) 28) The development hereby approved shall achieve a post-construction Building Research Establishment Environmental Assessment Method (BREEAM) rating of at least 'very good' or 'excellent' and at least three star sustainability rating under the code for sustainable homes for those elements of the development, which are residential in nature. A post construction review certificate shall be submitted to and approved in writing by the City Council as local planning authority before any of the buildings hereby approved are first occupied, unless otherwise agreed in writing by the City Council as local planning authority.

Reason - In order to minimise the environmental impact of the development pursuant to policies E1.5 and E1.6 in the Unitary Development Plan for the City of Manchester, policies ER13 and DP3 of Regional Planning Guidance for the North West (RPG13) and the principles contained within The Guide to Development in Manchester 2 SPD and Planning Policy Statement 1.

29) 29) The development hereby approved shall include fire prevention measures; acoustic glazing; acoustically treated ventilation for all residential, hotel and commercial units, and acoustically insulated externally mounted ancillary equipment in accordance with fire prevention and acoustic attenuation schemes to be submitted to and approved in writing by the City Council as local planning authority before the development commences, unless otherwise agreed by in writing by the Local Planning Authority. The fire prevention measures and acoustic attenuation schemes hereby approved shall be implemented in full before uses first commence.

Reason

To protect the amenity and safety of the occupants of the premises once the development hereby approved is occupied, pursuant to policies H2.2 and E1.4 of the Manchester Unitary Development Plan.

30) 30) Before the development hereby approved commences a shop front and signage design strategy for the commercial units shall be submitted to and approved in writing by the City Council as local planning authority. The development shall only be carried out in accordance with the approved details

Reason

To protect the visual amenity of the development, pursuant to adopted Manchester Unitary Development Plan policy H2.2.

31) 31) Within six months of any part of the development first being occupied, a repaving strategy for the public footpaths and redundant vehicular crossings immediately adjoining the application site shall be submitted to and approved in writing by the City Council as local planning authority. The approved scheme shall be carried out in accordance with a phasing programme to be approved by the Local Planning Authority.

Reason

In the interests of amenity and to ensure that paving materials are consistent with the use of these areas as pedestrian routes, pursuant to Manchester Unitary Development Plan policy H2.2.

32) 32) The applicant shall, with regard to television reception in the area containing the application site, provide the City Council as local planning authority with studies that:

a) Identify, before the development commences, the potential impact area in which television reception is likely to be adversely affected by the development. The study shall be carried out either by the Office of Communications (Ofcom), or by a body approved by Ofcom and shall include an assessment of when in the construction process an impact on television reception might occur.

b) Measure the existing television signal reception within the potential impact area identified in (a) above before development commences. The work shall be undertaken either by an aerial installer registered with the Confederation of Aerial Industries or by a body approved by the Office of Communications, and shall include an assessment of the survey results obtained.

c) Assess the impact of the development on television signal reception within the potential impact area identified in (a) above within one month of the practical completion of the development or in accordance with the phasing programme required by condition 3 of this planning permission or before the development is first occupied, whichever is the sooner, and at any other time during the construction of the development if requested in writing by the City Council as local planning authority in response to identified television signal reception problems within the potential impact area. If the development is found to have a detrimental impact upon existing television signal reception, the study shall identify such measures necessary to maintain at least the pre-existing level and quality of signal reception identified in the survey carried out in (b) above. The measures identified must be carried out either before the building is first occupied or in accordance with the phasing programme required by condition 3 of this planning permission or within one month of the study being submitted to the City Council as local planning authority, whichever is the earlier.

Reason - To provide an indication of the area of television signal reception likely to be affected by the development to provide a basis on which to assess the extent to which the development during construction and once built, will affect television reception and to ensure that the development at least maintains the existing level and quality of television signal reception, as advised in Planning Policy Guidance Note 8: Telecommunications, pursuant to Manchester Unitary Development Plan policy H2.2.

33) 33) A comprehensive Method Statement describing how any potential adverse impacts on the Site of Biological Importance are to be mitigated during the construction phase of any development shall be submitted to prior to any development commencing, unless otherwise in writing by the Local Planning Authority. This Method Statement, once agreed, shall be implemented in full.

Reason

To ensure the protection of wildlife habitats in the locality, pursuant to policy E2.4 of the Unitary Development Plan for the City of Manchester.

34) 34) Prior to the commencement of development, details of all external lighting, including lighting on the buildings, within the site, and lighting units within the public realm works, shall be submitted to, and approved in writing by, the City Council as local planning authority, The development shall be implemented in accordance with the approved details.

Reason

To ensure adequate lighting within the development and to ensure full accessibility within the public realm works, pursuant to policies E3.3, H2.7 and E3.4 of the Unitary Development Plan for Manchester (adopted 1995

35) 35) No trees shall be felled, or have any works undertaken on them, during the bird nesting season (March to July inclusive), unless otherwise agreed with the City Council as local planning authority.

Reason

To ensure the protection of wildlife habitats in the locality, pursuant to policy E2.4 of the Unitary Development Plan for the City of Manchester

36) 36) Details for the provision of feeding and nesting facilities for the Black Redstart species shall be submitted to and approved in writing by the City Council as Local Planning Authority. The development shall only be carried out in accordance with the approved details.

Reason

To ensure the protection of wildlife habitats in the locality, pursuant to policy E2.4 of the Unitary Development Plan for the City of Manchester.

37) 37) Before development commences, full details, including scaled elevations, plans and cross-section drawings, of temporary infill panels to the ground floor commercial units shall be submitted to, and approved in writing by, the City Council as Local Planning Authority. The details submitted shall include an explanation, in drawings or text, of how the proposed works will resist fly posting and graffiti, and how they will be maintained in good condition. Any works approved in discharge of this condition shall be implemented in full before any part of the development under this planning consent is first used, or by such

time as may be agreed in writing with the City Council as Local Planning Authority. The strategy for maintaining the infills in good condition shall be operational at all times until the temporary infills are removed from the site.

Reason

In the interests of visual amenity and to ensure that the frontage of the units before occupation has a good appearance within the street scene, and that this appearance is maintained, pursuant to Manchester Unitary Development Plan policies E3.3 and EM10.

38) 38) Before development commences a scheme for the extraction of any fumes, vapours and odours from the premises hereby approved shall be submitted to, and approved in writing by, the City Council as local planning authority. The approved scheme shall be implemented prior to occupancy and shall remain operational thereafter.

Reason - In the interests of the amenities of the occupiers nearby properties in order to comply with Policy H2.2; of the Unitary Development Plan for the City of Manchester.

39) 39) No building or structure exceeding 111.380m AGL shall be constructed within the area without further consultation with Manchester Airport.

Reason

Obstacle Limitation Surfaces (OLS) protect aircraft visual and instrument flight paths. At this location the development falls beneath the protected surface, however should the scheme change, further consultation will be required.

40) 40) No development shall commence until a construction management strategy has been submitted to and approved by the City Council as local planning authority. Such a strategy shall include the construction scaffolding, lighting and the operation of cranes. The construction management strategy shall be implemented as approved.

Reason

Although the proposed building is beneath the Obstacle Limitation Surfaces (OLS), it is anticipated that cranes and lights will be used during its construction. Cranes and their usage will assessed in similar terms to the buildings themselves, and if deemed not to conflict with the safeguarding criteria for the Airport, will be issued with Manchester Airport Crane Permits.

41) 41) No development shall commence until an assessment of the requirement for obstacle warning lighting complies with the requirement set out in CAP 393 and CAP 168 has been submitted to and approved by the City Council as local planning authority. The obstacle warning lighting scheme hereby approved shall be implemented and approved on completion of the building and maintained thereafter. No subsequent alterations to the obstacle warning lighting shall take place unless submitted to and approved in writing by the local planning authority.

Reason

The addition of obstacle warning light is intended to reduce the hazards to aircraft operating visually at low level in the area around the proposed development.

42) 42) No development shall commence until a scheme is submitted to and agreedin writing by the City Council as local planning authority to address the presence of a water main in the proximity of the proposed development. Development shall only take place in accordance with the approved scheme.

Reason

To ensure the satisfactory development of the site.

Signed…………

Peter Babb, Head of Planning

on behalf of the Council
Town Hall,
Manchester M60 3NY

NOTES

1. Leaflets attached:

2. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation**.**

3. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, he may appeal to the First Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the Appeals area of the Planning Portal – www.planningportal.gov.uk/pcs. The Inspectorate will publish details of your appeal on the internet (on the Appeals area of the Planning Portal).

This may include a copy of the original planning application form and any supporting documents supplied to the local planning authority. By you or your agent, together with the completed appeal form and information you submit to the Planning Inspectorate. Please ensure that you only provide information, including personal information, that you are happy will be made available to others in this way. If you supply personal information belonging to a third party please ensure you have their permission. More detailed information about data protection and privacy matters is available on the Planning Portal.

Alternatively, appeals can be made on a form which is obtainable from Planning Inspectorate, Customer Support Unit, Room 3/15, Eagle Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 or by telephone 0117 372 6372.

The First Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal. The First Secretary of State is not required to entertain an appeal if it appears to him that permission for the proposed development could not have been granted by the local planning authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements to the provisions of the development order, and to any directions given under the order. He does not in practice refuse to entertain appeals solely because the decision of the local planning authority was based on a direction given by him.

4. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

5. If either the local planning authority of the First Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

6. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the First Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
