Part 1 Particulars of the application/development

Proposal: Conversion of garage to living accommodation with expansion of driveway to provide additional parking and footway

Location: 11 Chervil Close, Fallowfield, Manchester, M14 7DP

Date of application: 8 May 2013

Application number: 102247/FH/2013/S1

Part 2 Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 31 Declaration

The proposal would not improve the environmental conditions of the area nor does it comply with the development plan and therefore does not comprise sustainable development. There are no conditions which could reasonably have been imposed, which would have made the development acceptable and it is therefore not possible to approve the application.

Reason(s) for decision

1) The carrying out of the proposed development would result in the loss of an off-street car parking space leading to an increase in demand for on-street parking on Chervil Close. The development would therefore be detrimental to the amenity of nearby residents and highway and pedestrian safety. The proposed development is therefore contrary to the provisions of policies SP1 and DM1of the Core Strategy. The guidance contained in the National Planning Policy Framework supports refusal of this application.

2) The creation of an additional parking space in front of the dwelling will change the character and appearance of this part of the residential estate to detriment of visual amenity contrary to policies Sp1 and DM1 of the Core Strategy. The guidance contained in the National Planning Policy Framework supports refusal of this application.

Date: 1 July 2013
