16th June 2008

Dear Ms Holland

77 Middleton Road, Crumpsall, M8 6JY

Further to my site meeting of the 28th of May with Steve Leaf your Arboricultural Officer I am writing to confirm our discussions and apply for permission to carry out the works discussed to the 2 Sycamore trees on site. I have appended a plan overleaf to indicate the tree numbering used.

I apply to fell the tree nearest the bakery extension T1 and crown lift the remaining tree T2 to clear the neighbouring property roof space. I also confirm that it is my client's intention to replant one tree on site and pay a commuted sum for the placement of one tree within the street scene.

I trust this serves as sufficient information regarding the application and look forward to receiving your earliest reply

Yours sincerely

A L Smith M Arb MICFor CEnv F Arbor A

Mr Smith said that Lisa Holland had raised objection to map.
