29 JUNE 2009

Dear Sir,

We are writing to apply to cut back a copper beech tree in our garden. We made an identical application 3 - 4 years ago and now just need to repeat the exercise for regrowth.

We would plan to use the same tree surgeon as last time, Mr Chris Fankland. He is already in discussions with you about another application we have submitted for Old Lansdowne Road which backs onto our gardens. (Ref 084328/TCA/2008/S2). If we receive permission we would like to carry out all the work at the same time.

Yours faithfully

Mark - Jane Crane
