Servicing Strategy

For a small scale office development it is expected that deliveries will consist mainly of small scale office supplies such as paper, stationary and possibly light furniture such as tables and chairs.

Deliveries to the site will most probably by made using small vans which are able to park in front of the site on the street, then access the building through the front entrance. Deliveries are expected to be made to the site between the hours of 8am – 6pm on weekdays and 8am – 1pm on Saturdays.
