Part II – Particulars of Decision

The Manchester City Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 of the following decision

Decision **Refused**
Date of Decision **27 May 2010**

for the carrying out of development referred to in Part 1 hereof in accordance with the application and plans submitted subject to the following conditions:

Part III – Conditions and Reasons

1) The proposed dwelling by reason of its position at the rear of 120 Dickenson Road and without its own road frontage would constitute 'backland' development. Such development would be detrimental to the amenity of neighbouring residential occupiers by reason of increased activity both

pedestrian and vehicular, the over-dominance of the proposed building and the overlooking of surrounding properties. The proposed development is therefore contrary to the provisions of policies H2.2 and DC6 of the Unitary Development Plan for the City of Manchester.

2) The proposed development by reason of its scale, massing, position and external appearance forms an incongruous and over-dominant feature which is detrimental to the visual of amenity of adjoining residential occupiers. As such, the proposal conflicts with policies DC6, H2.2 and H2.7 of the Unitary Development Plan for the City of Manchester.

3) The proposed development by reason of its design and `backland¿ location lacks natural surveillance and fails to incorporate adequate measures to design out crime. As such the proposal is contrary to Policy E3.5 of the Unitary Development Plan for the City of Manchester.
