Question 10
The railings are vertical bar railing 1.6m in high with a horizontal bar at the top and bottom of the railing. The material is mild steel panel dipped in galvanised material and powder coated in B2 6497. The colour is the Irk Valley Blue, as the site is an Irk Valley site any new fencing is always installed in this colour, the choice of colour has been agreed by the Irk Valley Steering group and the Irk Valley Local Plan was ratified by MCC committee in January 2007, this colour is outlined in the strategy. Please find attached drawing for full detail.

Question 8
Over the previous year a number of complaints have been received by the Irk Valley Project Officer (Myself) and the local Housing Office relating to anti social behaviour activities on the are of land located to the rear of Alderside Road. Alongside this a number of community members who use the lower section of the site for walking have complained about the bikes coming at speed from the top of the hill on Alderside Road and nearly crashing into them. They bike riders have a total disregard for community member safety.

The local residents have been very vocal about wanting the site secured, towards the end of January 2008 the funds became available. The work was planned to inform the local community what was happening with the development notices were placed on site near all the access points. The notice has contact details on for the Irk Valley project and at no point were any complaints or objections received by the Irk Valley Project. As the railing do not directly affect access to any of the houses on Alderside Road or Alfred Street it was not felt necessary to in form each house hold by letter.

Is Your Application Valid?

As part of the City Council's objective of looking to continuously improve services, we are seeking to ensure that applications for planning permission (and other types of consent) contain **all** the information needed by Council to make a decision from the point at which they are registered. This not only helps planning officers to deal with the application efficiently, it also ensures third party consultees are aware of what is being proposed and in the long run should help you obtain a speedier decision.

Please read the validation checklists available on the Council's website at www.manchester.gov.uk/planning or from Planning Reception on Level 7 of the Town Hall Extension for a full list of the information required.

When we receive your application, it will be vetted for accuracy and for the fullness of the information supplied. It will not be registered if relevant information is missing.

Certificates

Please ensure that you have fully completed the correct Certificate of Ownership with your application.

If you are not the sole owner, you must serve Notice on the owner using the Notice No. 1 form that is available to download from the City Council's website at www.manchester.gov.uk/planning or from Planning Reception on Level 7 of the Town Hall Extension.
