Subject Barton Arcade Planning permission

In reference to the attached letter,

I would like to confirm that Skalp UK are seeking to change the use of the property but make no internal or external changes.

After speaking to Emily Greaves, I confirm that question 1 and 5 do not apply in our case as we plan to make no changes.

In response to point 2, Micro Pigmentation (medical hairline tattoo) is like a tattoo on the head to camouflage male pattern baldness. We use specialised tattoo machines, single use needles which will be collected monthly. We do not plan to offer any other services.

Point 3, I have attached 2 scaled plans of the existing and proposed floor plans. Please note they are the same as we will make no changes.

Point 4, I have attached two scaled plans. They are exactly the same as no changes are planned.

Point 6, I have highlighted where the bins will be located on the floor plans. We will arrange a monthly sharps collection. The clinic will be cleaned daily and general rubbish will be removed and placed in the general waste bin outside the premises. This is highlighted in the attached map named- 1st Floor.

Point 7, we have all our supplies delivered my royal mail.

Point 8, no changes to be made

Point 9, There are lifts in barton Arcade so access is no problem so clients in wheelchairs.

If there is anything else you need clarification on then I am available on 0208 657 9295

Regards,

Nina Piris
