Part 1 – Particulars of the application/development

Proposal: Erection of part single, part two storey side extension and single storey rear extension to form additional living accommodation

Location: 116 Newport Road, Chorlton, Manchester, M21 9WN

Date of application: 1 June 2012

Application number: 099534/FH/2012/S1

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Reason(s) for decision

1) The proposed two storey side extension fails to provide an adequate setback at first floor level at the front of the dwelling and therefore would create a terracing effect within the character of the street scene. This would detract away from the predominantly semi detached properties along Newport Road to the detriment of the visual and residential amenity of the surrounding properties. The proposal is therefore contrary to policies SP1 and DM1 of the Core Strategy Development Plan, saved policy DC1 of the Unitary Development Plan and the principles for sustainable development set down in the National Planning Policy Framework.

Date: 24 July 2012

Signed: 

Julie Roscoe
Head of Planning
