Dear Sir

REF: PLANNING APPLICATION

Please find attached the following planning application.

Icon Display has been asked to manufacture and install a hanging sign at the entrance to the Royal Mills on Redhill Street.

This sign is to identify the entrance to their new Serviced Office space, which is located inside the building.

I have attached the following drawings/visuals

AV1-Sign manufacturing drawing.

AV2-Sign superimposed in position

AV3-OS Extract

As you can see there is similar existing signage at this location.

The sign panel is 4ft wide x 5ft high and hangs from a 100mm square steel box section.

The design includes the Royal Mills branding so it does not stand out from any existing signage.

Permanent Signage Production & Installation - UK and International

There will be no illumination to this sign.

The sign projects out around 1500mm from the wall with the bottom of the sign being 3m to the ground.

I have enclosed the fee of £75.00 to accompany this application.

If you have any questions please do not hesitate to call.

Yours faithfully

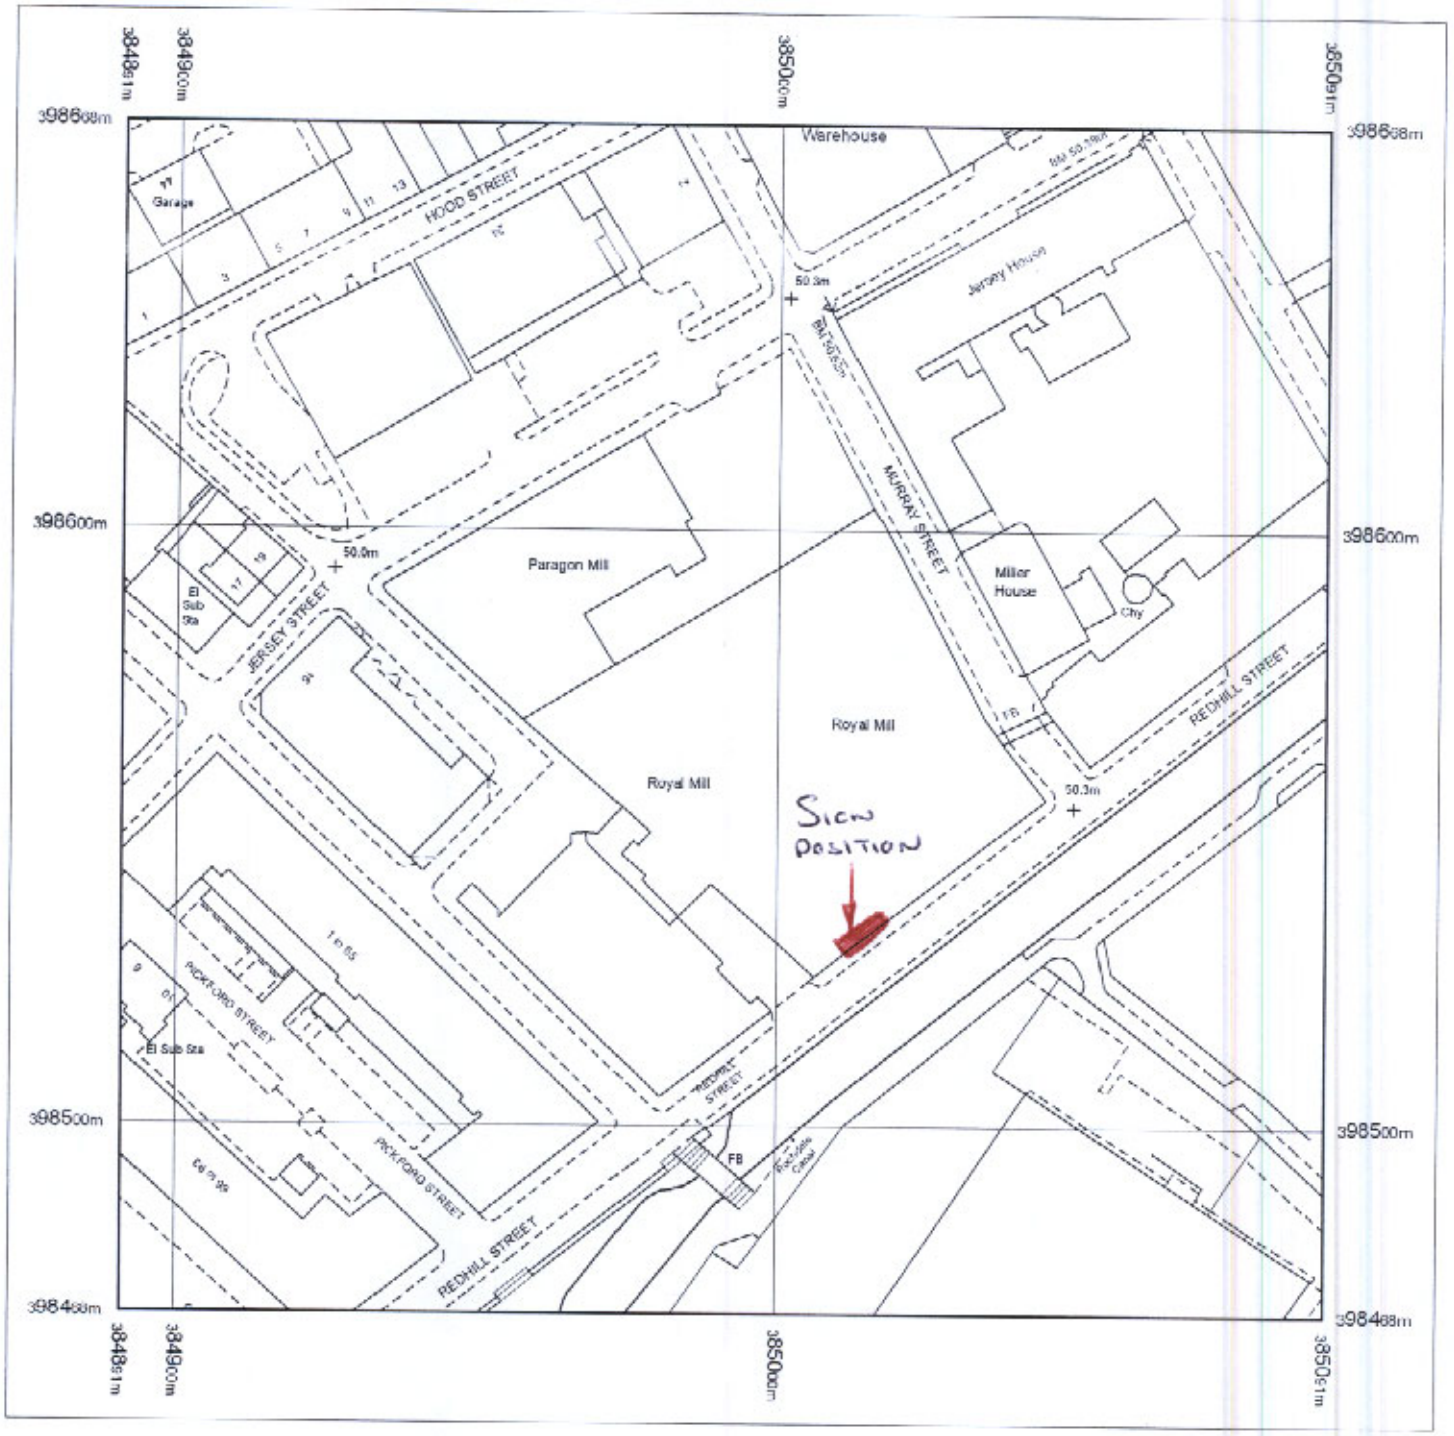

JOHN HORNE
