Title: Mrs First name: Janine Surname: Renshaw-Livesey

Reference:

Date (DD/MM/YYYY): 15/10/2012 (Must be pre-application submission)

Details of the pre-application advice received:

A discussion with the planning officer took place on 15 October 2012. She stated no objection in principle to the addition of telecommunications apparatus on the rooftop, but required further justification regarding the positioning of the shrouded antennas. A meeting was requested and on 17 October 2012 an annotated plan of the rooftop was submitted, which showed the areas excluded for technical, planning and ICNIRP compliance reasons. The details showed that the most visible antennas A5 and A6 have their siting constrained by a number of factors. It is considered that the antennas have been sited where they can have minimum impact and enable coverage requirements to be met. The invitation for a meeting could not be taken up by the LPA prior to application submission. The decision was made to submit the application and arrange a meeting post-submission.
