Waste Management Strategy

PA Number: Re-Submission of P.A 110127/FO/2012/S1.
Development description: ~~Cafe~~ Casual dining, restaurant
Development location: 130 Wilmslow Rd, Manchester M14 5TA H
Strategy prepared by: M. Yaseen.
Date Prepared: 02-4-13

Notes
The following strategy should be prepared using the guidance document available from:

http://www.manchester.gov.uk/opservices/rubbish/developers.htm

1.	**Number of bins proposed?** - Please provide details of the number of bins proposed and how this was calculated.	
	We are proposing approx 4No. euro bins, based upon the seating capacity & size of the development	
2.	**Bin storage area** - Please include a plan of the proposed bin storage area, showing the bins that are proposed and the proposed collection point. - Please describe how occupants will transfer waste to the bin store and the distance travelled in doing so.	
	Bin stores are at the rear of the property adjacent to the kitchen area. approximate distance in transfering the waste to the bins as 8-10 meters.	
3.	**Bin collection arrangements** - Please describe the bin collection area, including how and where bins will be moved to in order to reach the collection vehicle. - Please include plans showing how the collection vehicle will travel around the site.	
	we have a large private yard to the rear where the bins will be sited, there is also enough space to wash down the bins for when they get dirty. They will be pushed to the end of the yard on a weekly basis to be emptied, as there is a local weekly arrangment for the other business ~~will~~ ~~will~~ ~~will~~ we will fall in line as follow everybody else.	

For MCC use only
