Is Your Application Valid?

As part of the City Council's objective of looking to continuously improve services, we are seeking to ensure that applications for planning permission (and other types of consent) contain **all** the information needed by Council to make a decision from the point at which they are registered. This not only helps planning officers to deal with the application efficiently, it also ensures third party consultees are aware of what is being proposed and in the long run should help you obtain a speedier decision.

Please read the validation checklists available on the Council's website at www.manchester.gov.uk/planning or from Planning Reception on Level 7 of the Town Hall Extension for a full list of the information required.

When we receive your application, it will be vetted for accuracy and for the fullness of the information supplied. It will not be registered if relevant information is missing.

Certificates

Please ensure that you have fully completed the correct Certificate of Ownership with your application.

If you are not the sole owner, you must serve Notice on the owner using the Notice No. 1 form that is available to download from the City Council's website at www.manchester.gov.uk/planning or from Planning Reception on Level 7 of the Town Hall Extension.
