IMPORTANT

Planning Permission and Notices of Consent

Compliance with Conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures required to protect trees.
- Some conditions will require action before you start the development and it is imperative that you seek to have these discharged before any work commences.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- For advice on any of these matters, please contact the Planning Service, Manchester City Council, PO Box 463, Manchester M60 3NY or email planning@manchester.gov.uk

Part II – Particulars of Decision

The Manchester City Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 of the following decision

Decision Approved
APPROVE on the basis that the proposal accords with the development plan in particular policies I.12 and E3.3 of the City Council's Unitary Development Plan and there are no material considerations of sufficient weight to indicate otherwise.
Date of Decision 21 July 2008

for the carrying out of development referred to in Part 1 hereof in accordance with the application and plans submitted subject to the following conditions:

Part III – Conditions and Reasons

1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents unless otherwise agreed in writing by the City Council as Local Planning Authority: 01 REVB AND 03REV B stamped as received on 29 May 2008 and letter dated 14 May 2008

Reason - To ensure that the development is carried out in accordance with the approved plans. Pursuant to policy E3.3 of the Manchester Unitary Development Plan.

3) No development that is hereby approved shall commence unless and until samples and specifications of all materials to be used on all external elevations of the development have been submitted to and approved in writing by the City Council as local planning authority. The development shall be constructed only using the approved materials unless otherwise agreed in writing by the City Council as local planning authority.

Reason - To ensure that the appearance of the development is acceptable to the City Council as local planning authority in the interests of the visual amenity of the area within which the site is located, as specified in policy E3.3 of the Unitary Development Plan for the City of Manchester.

4) a) Before the development hereby approved commences, a report (the Preliminary Risk Assessment the Desk Study) to identify and evaluate all potential sources and impacts of any ground contamination, groundwater contamination and/or ground gas relevant to the site shall be submitted to and approved in writing by the City Council as local planning authority. The Preliminary Risk Assessment shall conform to City Council¿s current guidance document (Planning Guidance in Relation to Ground Contamination).

The Desk Study shall be prepared by a suitably qualified person whose competence to carry out the Desk Study has been approved in writing by the City Council as local planning authority (an "Expert").

In the event of the Preliminary Risk Assessment Desk Study identifying risks which in the written opinion of the Local Planning Authority require further investigation, the development shall not commence until a scheme for the investigation of the site and the identification of remediation measures (the Site Investigation Proposal Scheme) has been submitted to and approved in writing by the City Council as local planning authority.

The measures for investigating the site identified in the Site Investigation Proposal Scheme shall be carried out, by an Expert before development commences and the Expert shall prepare a report prepared outlining what measures, if any, are required to remediate the land (the Site Investigation Report and/or Remediation Strategy) which shall be submitted to and approved in writing by the City Council as local planning authority.

b) When the development commences, the development shall be carried out in accordance with the previously agreed Remediation Strategy Site Investigation Report.and a Completion/Verification Report shall be submitted to and approved in writing by the City Council as local planning authority.

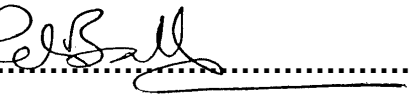

In the event that ground contamination, groundwater contamination and/or ground gas, not previously identified, are found to be present on the site at any time before the development is occupied, then development shall cease and/or the development shall not be occupied until, an Expert has prepared a report outlining what measures, if any, are required to remediate the land (the Revised Remediation StrategySite Investigation Report) which shall be is submitted to and approved in writing by the City Council as local planning authority and the development shall be carried out in accordance with the Revised Remediation StrategySite Investigation Report, which shall take precedence over any Remediation Strategy Site Investigation Report or earlier Revised Remediation Strategy Investigation Report.

Any further development must not compromise any existing remedial measures previously installed at the site as part of planning permission 086261/FO/2008/N1. Upon completion of the works, a Completion/Verification Report shall be submitted to and approved in writing by the City Council as local planning authority, to ensure that the existing remedial measures have not been compromised.

Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected and appropriate remedial action is taken in the interests of public safety. Additionally, that the current works shall not compromise the protection afforded by earlier remedial measures the existing development has had installed as part of planning permission 086261/FO/2008/N1. Pursuant to I.12 of the Unitary Development Plan for the City of Manchester.

5) No development shall take place until details of the loading/unloading bay on Ridings Street have been approved in writing by the City Council as local planning authority. The development shall not be occupied until the works have been constructed in accordance with the approved details , and such works shall be retained at all times thereafter.

Reason - To ensure that satisfactory arrangements are in place for servicing the building pursuant to policy T2.4 of the Unitary Development Plan for the City of Manchester.

Signed………

Peter Babb, Head of Planning

on behalf of the Council
Town Hall,
Manchester M60 3NY

NOTES

1. Leaflets attached:

2. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation**.**

3. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, he may appeal to the First Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the Appeals area of the Planning Portal – www.planningportal.gov.uk/pcs. The Inspectorate will publish details of your appeal on the internet (on the Appeals area of the Planning Portal).

This may include a copy of the original planning application form and any supporting documents supplied to the local planning authority. By you or your agent, together with the completed appeal form and information you submit to the Planning Inspectorate. Please ensure that you only provide information, including personal information, that you are happy will be made available to others in this way. If you supply personal information belonging to a third party please ensure you have their permission. More detailed information about data protection and privacy matters is available on the Planning Portal.

Alternatively, appeals can be made on a form which is obtainable from Planning Inspectorate, Customer Support Unit, Room 3/15, Eagle Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 or by telephone 0117 372 6372.

The First Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

4. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

5. If either the local planning authority of the First Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

6. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to

conditions by the First Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
