DESIGN AND ACCESSIBILITY STATEMENT

FOR

FLAG POLE INSTALLATION

AT

ASHBURY MEADOW PRIMARY SCHOOL
RYLANCE STREET
BESWICK
MANCHESTER
M11 3NA

December 2011

INTRODUCTION

The project comprises:-

- The installation of a six metre high flag pole to the grass verge to the front elevation of the existing school car park.

- The flag pole will be used to fly a green 'Keep Britain Tidy' flag which the school has won in a competition.

ACCESSIBILITY STRAGETY

- The flag pole is to be placed on a grass verge at the front of the car park and as such will be situated in a position that is not intended for vehicle or pedestrian access. The flag pole will therefore have no detrimental effect on access.

- Regardless of the above, the flag pole will contrast in colour to its surroundings.
