Dear Mr Howarth

Application No.: 086364/FO/2008/C1
Description: External alterations to entrance
Location: 86 King Street, Manchester, M2 4WQ

Further to the issue of the decision notice for the above application, you are aware that we have had extensive discussions regarding access issues and that you have provided documentation which states that it is not practical to provide full level access at the above building. I have considered this information very carefully, and having taken all matters into consideration, in this instance I have recommended that the application be approved.

However, in this context you should not take the approval of the above application to imply that the City Council considers that the proposal complies with the requirements of, or discharges your responsibilities in relation to, the Disability Discrimination Act (1995) to provide access for all members of the public.

PLEASE KEEP A COPY OF THIS LETTER ATTACHED TO THE APPROVAL NOTICES AND ENSURE THAT ANY FUTURE OCCUPIERS ARE AWARE OF ITS CONTENTS. A COPY OF THIS LETTER WILL BE RETAINED ON PART 1 OF THE PLANNING REGISTER ALONG WITH THE DECISION NOTICE.

Yours sincerely

A Kershaw
