## Part 1 – Particulars of the application/development

**Proposal**: Erection of a side extension to form additional accommodation alongside the existing church.

**Location**: Celestial Church Of Christ , 49 Vernon Street, Harpurhey, Manchester, M9 5PL

**Date of application**: 15 December 2011

**Application number**: 097942/FO/2011/N1

## Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

## Reason(s) for decision

1) The proposal is contrary to policies HC1, H2.2, E3.5, and T2.4 of the adopted Unitary Development Plan for the City of Manchester, as the scheme has failed to demonstrate it will not result in an unsustainable increase in traffic and on-street parking in the surrounding residential streets, associated with the increase in numbers of people using the larger building, to the detriment of the amenity of the occupiers of neighbouring dwellinghouses, and highway safety.

2) The proposed intensification of the use of the building will result in an increase in noise and activity at the site, and on nearby residential streets, to the detriment of the amenity of the occupiers of surrounding residential accommodation, particularly late at night, due to people congregating, comings and goings, and noise from general activity, which is contrary to policies HC1, H2.2, and DC26.3 of the adopted Unitary Development Plan for the City of Manchester.

Date: 9 February 2012
