Waste Management Strategy

PA Number:
Development description: Extensions to existing cash and carry warehouse
Development location: 132 Broughton Street, Manchester, M8 8AN
Strategy prepared by: DPW Design
Date Prepared: 12 November 2012

Notes
The following strategy should be prepared using the guidance document available from:

http://www.manchester.gov.uk/opservices/rubbish/developers.htm

1.	**Number of bins proposed?** - Please provide details of the number of bins proposed and how this was calculated.
	One euroliner bin calculated based on the existing use
2.	**Bin storage area** - Please include a plan of the proposed bin storage area, showing the bins that are proposed and the proposed collection point. - Please describe how occupants will transfer waste to the bin store and the distance travelled in doing so.
	One euroliner bin calculated based on the existing use situated within the application site
3.	**Bin collection arrangements** - Please describe the bin collection area, including how and where bins will be moved to in order to reach the collection vehicle. - Please include plans showing how the collection vehicle will travel around the site.
	One euroliner bin situated within the application site and moved to the refuse wagon by operatives
