Waste Management Strategy

594 Stockport Road Levenshulme Manchester M13 0RQ

The number of bins required has been decided as three following consultation with the current operator who runs the ice cream business on the premises at present and who will also run the take away

Bins are stored within the rear yard in the position indicated on plan accessed from the rear door into the yard

Bins are collected from the rear alleyway a maximum distance of 2.5 m from the storage area

Seperation of refuse for recycling purposes can be carried out in the rear yard and collected at designated dates / times
