DESIGN + ACCESS STATEMENT

PLANNING APPLICATION NUMBER: - PP-01776716

LOCATION: - Manchester Training and Development Centre

PROPOSAL :- Installation of new multi-rig training facility.

Design

The multi-rig training facility will consist of steel shipping containers, painted to match existing brickwork. Please see 3D pictures of proposed facility.

Access

Access to the site can be gained via both Thompson Street and Cassidy Close using existing infrastructure.

Hours of use

Monday to Sunday 10:00 to 17:00

The reason for seven day use is due to the possibility that training exercises may be carried out on any day of the week.
