Application No: 090532/FO/2009
Location: 1 Apsley Grove, Mancheter, M12 6AW (Unit 1 Apollo Business Park)

Enclosed: 4 x Architecturally Scaled Proposed Elevations

Dear Mrs Tipping

Further to your letter date 24 July 2009, attached are the accurately scaled drawings of the proposed elevations.

The windows on the second floor have dimensions of 1000mm x 1000mm exactly and Loading bay opening on the second floor is 2030mm wide x 1770mm high . The upper part of the proposed second floor windows and second floor loading bay are partially hidden from view on the proposed elevations by the existing overhanging canopy.

With regard to Question 15 of the application form, the existing use of the building is light industrial textile manufacturing on the ground floor with storage on the 1st and 2nd floors.

With regard to Question 3 of the application form, the building will be used as Storage on the ground floor and first floor and the light industrial textile manufacturing will be switched to the second floor.

I trust this is satisfactory, please contact me if you require anything further.

Regards

Irfaan Sarwar
