Part 1 – Particulars of the application/development

Proposal: Erection of part side, part rear single storey extension to form new conservatory and hobby room (with storage in roofspace)

Location: 53 Victoria Avenue East, Charlestown, Manchester, M9 6HP

Date of application: 30 July 2012

Application number: 099929/FH/2012/N1

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Reason(s) for decision

1) The proposal will not appear in keeping with the character of the property or street scene, which is predominantly characterised by modest, domestic scale built form, due to the proposed excessively large and bulky scale of the proposal, and, as such, is contrary to policies DC1.1 and DC1.2 of the adopted Unitary Development Plan, and policy DM1 of Manchester's Core Strategy, as the proposed additional built form will be visible from the public highway, and by the occupiers of neighbouring surrounding domestic properties, and will have a detrimental impact upon visual and residential amenity.

2) The proposed hobby and store room windows, located within each gable at first floor level, will permit views into neighbouring properties, which is contrary to policies DC1.1 and DC1.2 of the adopted Unitary Development Plan, and policy DM1 of Manchester's Core Strategy, as the windows will create the potential for an unduly detrimental impact upon the privacy of the occupiers of neighbouring properties, in terms of overlooking.

Date: 24 September 2012

Signed: 

Julie Roscoe
Head of Planning
Manchester City Council, P O Box 532, Town Hall, Manchester M60 2LA
