Dear Rebecca

CROWNE PLAZA HOTEL, SHUDEHILL, MANCHESTER
Advertisement Application

Mark up.

Thank you for telephoning me last Friday to request further sets of the application drawings which I agreed to provide on the same day. Unfortunately the drawing we discussing showing the sign above the revolving door at the main entrance was not up to date and we have had to create a new drawing. Thus the new set consists of the following drawings (2 copies enclosed):

LRW	6312/L (00) 173	Perspective View
	6312/L (90) 14B	Site Plan (flagpoles removed)
	6312/L (00) 133	Lozenge Logo Replacement
	6312/L (00) 134	Revolving Door Sign
L&G	8019 a	Signage Colours
	8019 b	Letter Styles
	8019 c	Signage Locations (flagpoles deleted)
	8019 d	Shudehill Elevation (flagpoles deleted)
	8019 e	Smithfield Square Elevation
	8019 f	Swan Street Elevation
	8019 g	George Street Elevation
	8019 h	Manchester Sign Detail
	8019 i	Crowne Plaza Sign ('lozenge' replaced)
	8019 k	Crowne Plaza Low Level
	8019 l	Crowne Plaza Vertical ('lozenge' replaced)
	8019 m	Totem Sign

I trust that the above is now acceptable and will allow you to now approve the application.

Yours sincerely

STUART ALDRED
