Part 1 Particulars of the application/development

Proposal: Change of use of ground floor A1 shop to A5 hot food takeaway, together with the erection of a flue to the rear elevation.

Location: 184 Church Lane, Lightbowne, Manchester, M9 4LJ

Date of application: 9 July 2013

Application number: 102584/FO/2013/N1

Part 2 Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 31 Declaration

The proposal would not improve the environmental conditions of the area nor does it comply with the development plan and therefore does not comprise sustainable development. There are no conditions which could reasonably have been imposed, which would have made the development acceptable and it is therefore not possible to approve the application.

Reason(s) for decision

1) The proposed use would have an adverse impact upon the residential amenity of surrounding occupiers due to its potential generation of an unacceptable level of pedestrian and vehicular activity, associated noise and disturbance and the congregation of people in and adjacent to the premises, particularly late at night which would thereby affect the amenity of neighbouring residents. The proposed use is therefore considered to be contrary to saved policies DC10 and DC26 of the Unitary Development Plan for the City of Manchester and policies SP1, C10 and DM1 of the Manchester Core Strategy.

2) The proposal, due to a lack of on-site parking facilities would lead to associated traffic parking on local residential roads to the detriment of the general amenities of the area and the inconvenience of the occupiers of the area contrary to policies 10.1a and 10.1c of the Unitary Development Plan for the City of Manchester and policy DM1 of the adopted Core Strategy for Manchester.

Date: 3 September 2013
