DESIGN AND ACCESS STATEMENT

Location -
40 Clyde Road
Didsbury
MANCHESTER M20 2WJ

Introduction

Proposal

Planning application to Extend and re-model the ground floor to create a more contemporary home.
It is also proposed to extend the existing Loft space into the remaining half of the roof space.

Throughout the work it is intended to retain all the existing features and to work with similar materials to those existing.

No changes are planned to the principal elevations.
