Dear Sir/Madam,

Application Number: 086277/TPO/2008/S2
Intent to carry out works to trees at 2/12 Alvanley Close, Brooklands, Manchester, M33 3PL

Further to your request to carry out works to trees located at the above address, the City Council's arboricultural staff visited the site and inspected the trees. With reference to their advice, consent is hereby **granted** for the following work:

The City Council has no objection to the proposed remedial pruning of the mature Black poplars works to trees at 2-12 Alvanley Close. The trees are in poor condition and require crown reducing and as such there is no objection to the reduction of the trees to give an overall height of 7 metres.

Permission must be sought from the owners of the trees before works commence.

All tree work should be carried out by a competent contractor in accordance with British Standard BS 3998 "Recommendations for Tree Work".

Should you wish to discuss this matter any further please contact Lisa Holland.

Yours sincerely,

Peter Babb
Head of Planning
