Dear Ms Benson

Notice of intention to propose change of use of 829a Wilmslow Road from residential to business use

I am writing to inform you, as the certified owner of 829a Wilmslow Road of my intention to apply to the local authority Planning Department to obtain change of use of 829a Wilmslow Road from residential to business use. This is for the purpose of establishing a counselling, psychotherapy and training centre, to be called The Synthesise Centre.

I confirm that my proposals have been discussed with you and that you are considering them. I am also aware that you are clear about the business I intend to establish at 829a Wilmslow Road and that you are in agreement with its aims.

Please do not hesitate to contact me if you require any further information at this point.

Yours faithfully

(Applicant)
