Dear Sir/Madam,

**Application Number: 088184/TPO/2008/S2**
**Intent to carry out works to trees at 7 Evans Close, Didsbury, Manchester, M20 2SQ**

Further to your request to carry out works to trees located at the above address, the City Council's arboricultural staff visited the site and inspected the trees. With reference to their advice, consent is hereby **granted** for the following work:

The City Council has no objection to the proposed removal of T3 - Sycamore as it is in poor condition.

A replacement tree should be planted to compensate for the amenity loss. A suitable replacement would be a Betula Pendula or similar.

All tree work should be carried out by a competent contractor in accordance with British Standard BS 3998 "Recommendations for Tree Work".

Should you wish to discuss this matter any further please contact Lisa Holland.

Yours sincerely,

Peter Babb
Head of Planning
