WASTE MANAGEMENT

The General waste is deposited into the external bin store and picked up on a weekly basis by Enterprize.
The Medical waste generated is kept in each Doctors Room and is collected on a monthly basis by Canon.
The Pharmacy and the Dentist's has a dedicated company who dispose of all medical waste on a weekly basis. And the general waste is picked up from the external bin store on a weekly basis.
Currently there is only one large external bin store and this is under utilized.
