Part 1 – Particulars of the application/development

Proposal: Erection of single storey rear extension and re roofing of existing single storey rear extension.

Location: 1 Waltham Road, Fallowfield, Manchester, M16 8PG

Date of application: 25 April 2016

Application number: 111983/FH/2016/S1

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Officers have worked with the Agent in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. In this instance a suitable compromise could not be reached that was acceptable to the City Council.

The application has been determined in accordance with the guidance contained within saved Policy DC1 'Residential Extensions' of the Manchester Unitary Development Plan and to Policy DM1 of the Core Strategy and the National Planning Policy Framework.

Reason(s) for decision

1) The proposed development by reason of its scale, bulk, massing, size, design and its relationship to the original house would not be subservient to the main house; would form an overly dominant and visually obtrusive feature, and would be incongruous with

the character of the area in general, which would also have an overbearing appearance to neighbouring occupiers to the detriment of visual amenity.

As such the proposal is contrary to Polices SP1 and DM1 of the Core Strategy Development Plan Document (2012), extant Policies DC1 of the Unitary Development Plan for the City of Manchester (1995), the National Planning Policy Framework and the Guide to Development in Manchester SPD (2007).

Date: 23 September 2016
